Dear Business and Community Leader:

We hope that you will support Polk Training Center in our endeavors to raise funds and celebrate our 31st year of providing adult day training services and sheltered employment to adults with developmental disabilities in our community. This program has been a vital part of so many special individuals' lives and their families since 1986. The Center's purpose is to provide a supportive and stimulating environment where adults with developmental disabilities can learn, interact, and work in the community.

Your support of the City to City 5K will not only financially support our organization, but will enable us to have a community event that reaches out to hundreds of people who may not otherwise know about our program for people with developmental disabilities. We hope that you can help support our upcoming event.

Sincerely,  
Sherrie Holbrook  
Executive Director
